A DARKER SHADE

HUSTLER VIDEO. DIRECTOR: STUART CANTERBURY. STARRING: SARAH VANDELLA, NATASHA STARR, JADE NILE, SEAN MICHAELS, RYAN DRILLER & TEE REEL.

A girl who goes black gets stuffed in her crack in A Darker Shade, an apparent tribute to mommy-porn sensation Fifty Shades of Grey. In our version, the naive young waif is blond sexpot Sarah Vandella, who plays an artist falling under the stern-loined sway of seasoned ebony woodsman Sean Michaels. The video opens up with suave cockslinger Michaels approaching Vandella in her studio and drawing her to the submissive side with a few smooth words and some gentle groping. Eventually Vandella chokes his huge throbber down her throat. After some firm guidance. Master Michaels turns her little pussy inside out as he plumbs her depths with his snake. His first tutorial ends with a thorough bun-glazing, but the training doesn't stop there. Soon a dominatrix beats Vandella's rump crimson with a riding crop as she's force-fed a faceful of honeyoot, which she slurps like a hamster at a water nozzle. Her tormentor returns the favor, lapping at Vandella's crap-hatch while fingering the submissive to ecstasy. Moving on, an extremely erotic scene featuring hot candle wax, cold ice cubes and fervent ball-gargling unfolds. BARELY LEGAL #145

HUSTLER VIDEO, DIRECTOR: OTTO BAUER, STARRING: KELLY DIAMOND, ADRIANA MALAO, KACY LANE, HARLEY DEAN, CALL HAYES, RICHIE CALHOUN, JOHN STRONG, TYLER NIXON, EVAN STONE & JAMIE STONE.

At 145 installments, Barely Legal still doesn't look a day over 18, but like that brash teen fuckdoll smoking and cursing at the food court in the mail, there's still room for refinement. The video's first scene, featuring blueeyed brunette Kelly Diamond, will have viewers' trouser-hounds sniffing and barking to be set free. With her slight frame, modest tits, shorn crotch-muffin and thorough enthusiasm for cock. Diamond is a shining erotic ingénue. She massages her lover's nuts with her wandering tongue before bending over for a doggy-style drilling, yelping with lust as he spelunks her pretty kitty. Her squeals of delight grow so loud and frequent that the viewer begins to wish one of her nipples was a volume knob-but of course that's what your mute button is for. At-home jerkoffs will be rewarded with the blissful sound of one hand fapping as her whippet-thin body is put through its paces. The second scene, featuring dusky enchantress Adriana Malao, starts off promisingly, as she's manhandled by muscle-bound guido John Strong, Malao chokes down his chubby like a starying orphan at the bakery counter. Unfortunately, as she leans forward for her dick-drubbing, her pussy droots like a St. Bernard's mouth, a nauseating, thick white string of crotch-snot swinging from her clam-cove with every thrust, Luckily, tiny-breasted spinner Kacy Lane swoops in to save the day in the next scene. Despite minor infractions, Barely Legal #145 still obeys the laws of carnal satisfaction. To order, call 800-763-8271 ext. 7675 or visit HustlerStore.com.

WET ASSES VOL. 5

JULES JORDAN VIDEO. DIRECTOR: WILLIAM
H. STARRING: ISABELLA DE SANTOS,
ABELLA DANGER, AMIRAH ADARA, KELSI MONROE, MICK BLUE, JAMES DEEN,
MANUEL FERRARA & RAMON NOMAR.

Prefer your buns buttered up and drilled to perfection? Wet Asses Vol. 5 will hit the spot. This isn't a high-concept offering by a long shot-the biggest production cost was probably the oil that they copiously slathered over the actresses' nates-but the viewer's prick will twitch like a divining rod in a waterfall anyway. The video wisely kicks off with its most boner-inducing vixen, Latina sexpot Isabella De Santos, whose proudly jutting glutes quiver with delight as they're basted with oil. A mohawked goon pierces her glistening gash and humps her doggy-style as she babbles in Spanglish. She feverishly bounces her ass against his loins, each contact landing with a lovely thwap. De Santos is eventually so greasy that she threatens to slide off the leather couch as her gleaming rump is vigorously drubbed until she's literally fucked cross-eyed. The rest of the females are mostly mid-grade, but there are a few additional thrills to be had-tattooed tart Kelsi Monroe for one, who reaches a screeching assgasm, filling her pussy with four fingers as her shitpit is packed with schlong. The less said about Abella Danger, whose lips look like they lost a bet with Botox, the better. Still, despite its flaws. Wet Asses Vol. 5 produces an oil spill that even Greenpeace would approve of. -P.D.R.

THE DIVINE DANICA DILLON

HUSTLER VIDEO: BARELY LEGAL #109, THIS AIN'T AVATAR XXX & BARELY LEGAL ALL GIRL TOY PARTY.

As an outsnoken champion of family values and the Christian faith. I know a lot more about pomography than most people would suspect, so it takes a lot to impress me. But my prolific loins-four kids and counting!-were greatly satisfied when I recently came upon a heavenly XXX angel in the form of Danica Dillon. Lord, did I come upon her-multiple times and with great fervor. I first encountered Danica in Barely Legal All Girl Toy Party, a video celebration of women pleasuring themselves and each other with various devices. Limmediately set aside the Ashley Madison profile that I had been updating, along with the admonishment against lesbianism contained in Romans 1:26-27. Watching this brunet vixen on all fours, rubbing her dung hatch while another woman drilled her sacred chamber with a plastic phallus, I must confess. I allowed my hands to engage in an activity more immediately gratifying than prayer. Intrigued by this new addition to my life, I sought out Barely Legal #109. Now, as many of you may know, the phrase barely legal suggests a variety of

woman more ripe than I have been accustomed to in the past. But ageism be damned, along with my hypocritical soul. Watching Dani-ves, we're familiar enough for nicknames-finger her inner sanctum while slobbering upon the holy sacrament of her partner's blood-swollen pound of flesh. I groped at my belt buckle like it was a slumbering sister on a hot Arkansas night. Quickly becoming addicted to this enchantress, I acquired a copy of This Ain't Avatar XXX. As you'll recall, the film that inspired this title was met with opposition by fundamentalist Christians such as myself. However, I was drawn in by the visually stunning production values of this offering, as well as the visually stunning presence of Dani, Despite my theological guibbles with the video, I worked up a sturdy hard-on by channeling my violent urges, envisioning myself manhandling Dani like a rag doll, much like the humans planned to exploit the Na'vi in the original James Cameron film. My resulting orgasm definitely depleted the natural resources residing in my testicles. Danica Dillon is most certainly a sayior worth giving your life over to-or at least sacrificing your family for, along with a career in reality TV. Now, if you'll excuse me. I have another religious-based "counseling" session to attend. Redemption, here I come! -Anonymous

AXEL BRAUN'S FARMER GIRLS

WICKED PICTURES. DIRECTOR: AXEL BRAUN. STARRING: RILEY STEELE, KATRINA JADE, VALENTINA NAPPI, MILEY MAY, A.J. APPLEGATE, SCARLET RED, WILL POWERS, JAY CREW, ERIC JOHN, ALEC KNIGHT & EVAN STONE.

As far as sexual tropes on, farm girls haven't been terribly refreshing since The Beverly Hillbillies premiered in 1962—Fily May Clamnett stenned onto the small screen with her bra-busting rack and skintight jeans, and gushers of bubblin' crude exploded in viewers' laps. But then porn has never met a cliché it didn't want to hump into the ground, so here we are with Axel Braun's Farmer Girls, an erotic pagan to salt-of-the-earth-type women. At least as they can be envisioned in 2015, when even a girl from the smallest of towns seems to be born with a tramp stamp and a nipple piercing. The video starts off with a scene featuring Riley Steele and Katrina Jade, Between Steele's bolt-on tits and Jade's spiderweb face tattoo, the pastoral sapphic commingling challenges veracity. But if you're looking for realism on the rural sex front, try jacking off to the thought of Mama June from Here Comes Honey Boo Boo. As it is. this scene-which smartly parodies Cart's Jr 's "controversial" adswill work up an appetite. Valentina Nappi's Italian accent further strains the credulity of this endeavor, but at least her luscious melons and thick-thatched slit will also strain viewers' nants. Axel Braun's Farmer Girls will keep you down on the farm long enough to unzig and unload, but as with GMO-enhanced crops, you're wise to wonder if you're getting the real deal. -Pico D. Ribibi

HARDCORE SHOWCASE

THE CUM EXCHANGE VOL. 2

JULES JORDAN VIDEO. DIRECTOR: WILLIAM H. STARRING: MEGAN RAIN, ADRIANA CHECHIK, CINDY STARFALL, KAYLANI LE, DANI DANIELS, CHERIE DEVILLE, ABELLA DANGER, ANIKKA ALBRITE, MICK BLUE, JAMES DEEN, MANUEL FERRARA & PRINCE YAISHIN

As drought conditions continue to plague California, The Cum Exchange Vol. 2's devotion to recycling precious fluids and developing alternate hydration methods is admirable. The video's premise is simple: Each scene delivers a pair of XXX vixens taking a thorough dongdrubbing, after which they regurgitate their partner's jizz into each other's vaps like mama birds feeding their young. Three cheers for making every drop count-and it doesn't hurt that the sex is hot enough to make the viewer stir up his own batch of groin-gruel. Beauties Megan Rain and Adriana Chechik grease each other's trenches with their tongues before some clown shows up to slobber all over their assholes. Asian sexpots Cindy Starfall and Kaylani Lei team up for a spit-soaked prick-thrashing from celebrity spunksman James Deen, Starfall double-stuffs her word-hole with Deen's crotchhammer and Lei's foot in what might be the first documented example of a woman's mouth being just big enough. But all is not sperm-swapping bliss in this offering: There's far too much pre-scene tease, and the producers probably should have left Abella Danger at the circus sideshow. But on balance, The Cum Exchange Vol. 2 offers a fair trade for a jackoff's hard-spent dollar.

MY STEP MOM LIKES GIRLS

HUSTLER VIDEO. DIRECTOR: RICK DAVIS. STARRING: VIVIE DELMONICO, NATASHA VOYA, BRANDY ANISTON, MISHA CROSS, EVA ANGELINA, ADRIANA SEPHORA, VYXEN STEEL, ALEX TANNER. KACY LANE & JESSICA RYAN.

0

If you're of the mind-set that the family that lays together stays together, rejoice: My Step Mom Likes Girls vigorously fucks the knothole in the family tree, graphically exploring the carnal pleasures of living in a blended clan via a series of stepmother/stepdaughter fuck sessions. The quasi-incestuous festivities kick off with a tight-bodied blond stepmother treating her stacked stepdaughter to a trip to the spa, where the mani/pedis are skipped over for deep dildo cleanses. As with most of the couplings here, there doesn't seem to be a generation separating the girls. Guess we'll just have to assume that Daddy went for a trophy bride on his second ride on the marriage-go-round, Tattoped brunette Brandy Aniston thoroughly works over nubile plaything Misha Cross, roughly jamming her fingers into Cross's slit with alpha-bitch fervor. Cross gives as good as she gets, frigging her stepmom's twat like she's rubbing a genie's lamp. Redheaded brat Alex Tanner gets slut-shamed by stepmom Vyxen Steel before turning the tables and manically double-stuffing Steel with a pair of plastic cocks. By scene's end they kiss and make up, sucking on a pussy-slick dildo like they're taking hits off a peace pipe. My Step Mom Likes Girls is a relative joy. BIG WET BREASTS 2

JULES JORDAN VIDEO. DIRECTOR: WIL-LIAM H. STARRING: AUGUST AMES, CAS-SIDY BANKS, ASHLEY ADAMS, KATRINA JADE, JAMES DEEN, ERIK EYERHARD, MANUEL FERRARA & CHRIS STROKES.

Tits. Mammary glands. Sweater puppies.

They kept you alive as a kid, when you were sucking on Mom's nips, and chances are you still can't live without them. Big Wet Breasts 2 delivers the dairy domes in spades, covered with enough oil to ensure that we'll be at war in the Middle East for a long, long time. The video kicks off with August Ames, whose proud milk mounds jut skyward as if they were a testament to God that, yes, He did the right thing in creating them. Ames oils up her tits and slips her partner's lucky prick between them. She then squeals her way through a good, deep dicking while her knockers slap together like clappers in a church bell just before noon on Sunday. Ashley Adams isn't the most attractive woman to ever walk the Earth, but her slicked-up, pendulous globes do a solid job of diverting attention from her face, and she earns extra credit for burying her beak in her man's shitpit and giving him a spirited rimiob. Stacked, exotic sexpot Katrina Jade is enticing, even though the spiderweb tattoo on her temple will leave you wondering which correctional facility she might have done time in before she wandered onto the set. But that's a fairly minor quibbie-and perhaps a bonus, depending on one's taste. Bottom line: If you like your knockers big, natural and ready to boobfuck. Big Wet Breasts 2 is the tits. -Pico D. HARDCORE SHOWCASE

ASS TRANSIT

WICKED PICTURES, DIRECTOR: LOS SCAN-DALDUS, STARRING: NATALIA STARR, ANAS-TASIA BLACK, ARIA ALEXANDER, ASHLEY ADAMS, CAMILLE LIXX, KARMEN BELLA, BRAD KNIGHT, DAMON DICE, WESTON WHITE & STEVE RODGERS.

For the vast unwashed masses, sexual experiences on public transportation involve watching a veiny-titted crack whore suck a homeless dude's dick on the back seat of a Metro bus in exchange for a couple of tokens and a swig of Thunderbird. Ass Transit offers a less sleazy but still arousing variation on the theme. The video kicks off with a scraggly guy getting on a bus and whipping his limp weenie in back while filming his masturbatory efforts with a cell phone. (Hev. don't judge-we've all been there.) He eventually attracts the attention of a comely brunette, who tugs on his meat while the other commuters promptly move to the front of the bus-sex segregation. Unless there's been a recent rash of public-transportation rutting that's somehow eluded the news media, these couplings are no doubt staged, but it's a convincing illusion. And while it will give hope to any guy who's fantasized about boning the hot chick across the aisle from him, it will also give pause to the poor schlub who's wary of boarding the bus for his morning commute and plopping down in a puddle of some other dude's nut-scuzz. Even so, the sex is boner-inducing, the execution is solid, and the concept boasts an everyman appeal. Ass Transit will have viewers pulling at the cords between their legs as they get off. -P.D.R.

BUSH SUPPORTER

HUSTLER VIDEO. STARRING: KIM-BERLY GATES, CARMELLA SANTIAGO, KACI STARR, RENAE CRUZ, HARUKA, T.J. CUMMINGS, AARON WILCOX, ALEX GONZ, SERGIO, JOHN STRONG & VALENTINO.

Grab your pith helmet and polish your meat machete: Bush Supporter will take you on an expedition through Crotch Jungle, where the women are as untamed as the thick thatches between their thighs. The journey begins with petite, bushy brunette Kimberly Gates, whose martial-arts lesson goes awry when she kicks her instructor in the groin. She administers first aid, her lips affixing to his swollen mast with a kung fu grip. An athletic bout of screw-litsu ensues, with Gates' fur-topped gash gripping her sensei's flesh wand in a squishy chokehold. It's a refreshing change of pace in an era when most porn princesses shear their slits to a barren wasteland. Dusky lizz-catcher Carmella Santiago likewise sports an impressive thicket of wool around her girl-gulch as she rides her partner's prick until her fleece gleams with sweat and pussy juice. Fresh-faced waif Kaci Starr, who barely looks old enough to have grown the thick bramble between her legs, barters for some auto bodywork with a slobbery blowjob and a slippery ride in her unkempt love tunnel. Renae Cruz, an exotic, curty-tressed fuckdoll, takes a double-stuffing from a pair of pricks in a tag-team frenzy. The cavalcade of shaggy sex concludes with Asian sperm-target Haruka, whose furry fortune cookie gets cracked by creepy cock-slinger Valentino-but not before she swabs his asshole with her tongue. For viewers who enjoy putting themselves in hairy situations, Bush Supporter will leave them ready for some bushwhacking. MY FIRST NURU MASSAGE

HUSTLER WIDEO. DIRECTOR: OTTO BAUER, STARRING: TEGAN SUMMERS, CHLOE FOSTER, CHLOE AMOUR, ALLEK, ASH-DEN WELLS, EVAN STONE, BILLY GLIDE, MARCO BANDERAS, OTTO BAUER & TOMMY GUNN.

It's all about slipping and sliding, stripping and sex-providing in My First Nuru Massage, an erotic paean to the art of lubing and frottage. The video kicks off with nubile lass Tegan Summers, whose slight frame is slathered slick by Evan Stone. Summers methodically glides her glistening tits over Stone's back, loosening every muscle except for the one dangling between his legs-which she polishes until it gleams like a church spire in the midday sun. Eventually Stone flips Summers over and treats her to a doggy-style drilling, his dangling sac slapping her ass with a thwap on every thrust. Next sumptuous blonde Chloe Foster greases herself up good for a joyride with Billy Glide, gargling his balls, choking down his bone and bouncing on his pogo stick. But as Foster bounces. she flails and bobs like a marionette operated by an epileptic puppeteer in the throes of a violent lackoff session. Brunet. tawny-skinned fuck-puppet Chloe Amour ups the goo factor by spitting and drooling all over a stiff prick during her own oily escapade. You'll probably want to invest in a plastic tarp because My First Nuru Massage makes a big, slippery mess -but it will definitely rub you the right way. Order today by cailing 800-763-8271 ext. 7675 or visit HustlerStore.com. -Pico D. Ribibi

DP MASTERS 2

JULES JORDAN VIDEO. DIRECTOR: JULES JORDAN. STARRING: RYAN CONNER, KENDALL KARSON, KAY-LANI LEI, MORGAN LEE, CHRIS STROKES, MARK WOOD & JULES JORDAN.

It's nice to see that some people are still devoted to perfecting a craft, like the dedicated fuckers of DP Masters 2, who toil to hone their skills at penetrating shitpit and baby-shooter simultaneously. Unfortunately, the mixed results of this video indicate that a few more classes are in order. Exhibit A: headlining cum-bucket Ryan Conner, a threadbare hag who not only should have been relegated to the ash heap of pornography-they should have burned the ashes again. Conner's neongreen outfit, accentuated with polka-dot cutouts, looks like a circus tent stretched across her over-ample frame-which is actually appropriate, given her clownfrom-vour-nightmares facial features, punctuated by a schnoz that would make Secretariat seriously consider rhinoplasty. Why the video's producers decided to highlight her in the leadoff scene defies all logic. Her drooping, wizened meat curtains and crepey turd hatch are like twin black holes in which any sexual interest disappears forever. Luckily the video rebounds from there. Brunet, swollen-racked vixen Kendall Karson delights in her fetish-friendly latex gear-and demonstrates agile skill in taking tandem cocks to her bunghole and girl gulch. Asian cock hound Kaylani Lei likewise helps to ameliorate this video's ghastly opening salvo-but that's a little like someone handing you a Band-Aid after shooting you in the chest. DP Masters 2 is a few credits short of a degree. -P.D.R.

BREAKIN IN

HUSTLER VIDEO. DIRECTOR: RICK DAVIS. STARRING: DAKOTA SKYE, CHANELL HEART, JASMINE CARO, CHLOE FOSTER, ASH HOLLYWOOD, MARK ZANE, KEVIN JULES, ALAN STAFFOOD, RYAN DRILLER & RYAN MGLANE.

The last home intruder I encountered ended up with a load of lead and a hole where one was never intended to be. Breakin In deals with other kinds of holes and loads altogether, chronicling the carnal adventures of break-and-enter culprits as they find a home, rut away and then cover a random household object in semen. Kudos for finding a new concept, but how's the sex? Turns out, it's as solid as the dead bolt lock that would have prevented these invasions in the first place. Blond nymoh Dakota Skye and her male accomplice gain entry to a suburban spread and rifle through the kitchen until they find a near-empty bottle of baby oil and a towel. Not a great haul for a burglary, but they make the most of it, oiling up Skye's perky nates until they glisten like a dew-covered lily in the morning sun. As Skye's petite frame is put through its sexual paces, a number of thoughts run through the viewer's head: Where are the cops? How much does a home security system cost, anyway? Is the Neighborhood Watch committee just peering through the window and jacking off? The scene culminates with the dude jerking onto a slice of loaf cake that had been left on the counter-an odd choice for a spuzz target, but so be it. Dusky, taut-bodied enchantress Chanell Heart represents George Zimmerman's worst nightmare: a black criminal so hot that he'd have to think twice before shooting her on sight. Points off for Ash Hollywood, whose unfortunate shoulder tattoo looks like a seeping suture wound. But otherwise. Breakin In will pilfer the scum from your nut sac. GIRLFRIENDS

WICKED PICTURES. DIRECTOR: STORMY DANIELS. STARRING: CASEY CALVERT, SCARLET RED, AJ APPLEGATE, SASHA HEART, AUGUST AMES & LILY CADE.

An all-holes, no-poles exploration of female-on-female desire, Girtfriends splits the difference between feature-film ambitions and porn-flick carnality. Unfortunately, while the splits on display here are pretty enticing, the jackoff-all-trades approach might lead to a masturbation of none. The basic premise: A novice clamlapper played by Casey Calvert gets dumped by her girlfriend because she can't fully commit to lesbianism. Dejected-and rejected by her religious parents-Calvert travels to California to visit to her gal pal (Scarlet Red), who has an unrecognized desire for Calvert. In the free-wheeling Golden State, Calvert learns to embrace her dykery, while Red's character struggles to embrace her attraction to Calvert. If that sounds a tad involved, therein lies the central problem with Girlfriends. The dialogue is solid enough, but the middle-school-level acting can't convincingly put it across, and after fast-forwarding through fluffery, the viewer's hand might be a bit too. weary to work up a decent boner. That said, watching halfdevil, half-angel brunette Calvert mash gash isn't the worst way to spend some free time, and seeing her pristine asshole speared by another chick's tongue while she's fingered to oblivion is definitely worthwhile. If you're trying to convince your girlfriend to watch porn, this will probably do the

trick. Then again, if you have to convince your girlfriend to watch porn, you should probably find another girlfriend. Girl-

BLACK HEAT 3

JULES JORDAN VIDEO. DIRECTOR: CHRIS STREAMS. STARRING: ANYA IVY, LISA TIFFIAN, CHANELL HEART, CASSIDY BANKS, MANUEL FERRARA, BILL BAIL-EY & RAMON NOMAR.

If you find yourself asking for a second helping of dark meat at Thanksgiving dinner, Black Heat 3 is the tasty, sumptuous slice you're craving. Delectable ebony flesh abounds in this offering, starting with Anya Ivy, a cocoacolored delight with big, inviting eyes and full, pendulous chocolate-milk mounds. Ivy's pale-skinned partner immediately goes for a motorboat ride before sliding his fat, uncircumcised prick into the silky depths of her luscious cleavage. A skilled sword-swallower, by delivers a passionate twistand-slurp before riding her assigned schlong reverse-cowgirl style, her tits clapping together in resounding applause. Chocolate vixen Chanell Heart isn't so blessed in the titty department, but she makes up for it with an ass that won't quit even If you ask it to work on a holiday without overtime pay. Sadly, not all of the goods on display are as delectable; Lisa Tiffian has more rolls than a bakery and a too-generous portion of cottage cheese in back. Luckly, high-yellow sexpot Cassidy Banks swoops in to the rescue with her liggly fun bags and considerable cum-coaxing talents. Black Heat of-

GRANNY FUCKS HER GODSON

HUSTLER VIDEO, DIRECTOR: OTTO BAUER. STARRING: ERICA LAUREN, SYREN DE MER, LUNA AZUL, KAREN SUMMER, LEILANI LEI, CODY LEWIS, RICHIE CALHOUN, BRAD KNIGHT, RION KING & RICHIE BLACK.

Turned on by the thought of crepe-skinned, brit-

tle-boned women sucking young cock and taking a deep dicking until their crow's-feet are doused with jizz? Pull the shades down, unzip and spend quality time with Granny Fucks Her Godson, you demented pervert. This tribute to May/December-of-last-year rutting kicks off with blond, seasoned-past-perfection cock hound Erica Lauren, who summons her godson into her bedroom and sucks on his blood bone as if she's hoping that the Fountain of Youth shoots forth from his urethra. Lauren crouches over her prev. the wrinkles in her shoulder deepening as her veiny hands massage his balls, bravely defying arthritis. She mounts her trophy, her age-dimpled ass cheeks flexing with improbable tautness. Shockingly, her godson's beef baton emerges from Lauren's aged clam cove cobweb-free. Brunet cougar Syren De Mer is less drastically dinged by the ravages of time-her full, jutting udders are like two middle fingers flipping off gravitybut the tiny wrinkles around her lips are still evident as she chokes down her godson's meat mallet. To paraphrase Ben Franklin on the advantages of older women, they don't swell, they don't tell, and they're grateful as hell. If you're down with that, order Granny today at 800-763-8271 ext. 7675 or visit HustlerStore.com.

MOMMY LOVES A MISSIONARY

HUSTLER VIDED. DIRECTOR: MARC X. STAR-RING: JESSICA RYAN, DANICA DILLON, DLIVIA AUSTIN. ALEXIS GRACE, SARAH JESSIE, TY-LER NIXON, VAN WYLDE, BRADLEY REMING-TON, JAKE JACE & VINCE VALE.

In olden times, missionaries were oft thrust into boiling pots by brutal savages, As Mommy Loves a Missionary proves, these days they're more likely to be doing the thrustinginto the savage, wet-hot honeypots of lonely housewives. The video takes a cheeky look at modern-day Mormon missionaries spreading the word of Jesus Christ while spreading the legs of prickstarved MILFs. Redheaded cock hound Jessica Ryan seduces a young missionary, drawing his magic underwear down to slobber on his staff. As Ryan lies on her back to take a spermin' on the mount, her billowing tits jut skyward with heavenly grace. Danica Dillon-who allegedly had her own erotic run-in with religious hypocrite Josh Duggar-is a fresher piece of meat. Dillon's considerable charms quickly lure her Mormon's nose out of his Bible and into the lush valley between her jaw-dropping tits. Dillon chokes down her partner's raging glory with miraculous ease before Olivia Austin-a big-breasted blonde who hovers on just the right side of zaftig-enjoys a facial anointment. The quality of cooze is slightly uneven, but Mommy Loves a Missionary will have you crying out, "Dh, my God!" while your hands are engaged in an activity more immediately gratifying than prayer. PAYBACK

WICKED PICTURES. DIRECTOR: KEVIN MODRE. STAR-RING: JILLIAN JANSON, JOSIE JAGGER, SAMANTHA RONE, HOLLIE MACK, MERCEDES CARRERA, KARLEE GREY, JESSY JONES, DANNY MOUNTAIN, MR. PETE, ALEC KNIGHT, DAMON DICE, JAY SMOOTH, DOMINIK KROSS & ROBBY ECHO.

Whoever said that revenue is a dish best served cold obviously never saw Payback, in which piping-hot gashes dish out comeuppance to the men who've done them wrong. Lithe blonde Jiilian Janson puils a bait-andswitch on her cheating douchebag of a beau, parading around in lingerie and tying him to a chair for what he can only imagine will be a kinky rut. The real twist is revealed when Janson brings in her cheating boyfriend's pai and repeatedly iams his prick into her mouth like her uvula is a boxer's speed bag. Janson's puffy fuck flaps part like curtains to an extravaganza of erotic retribution. Her accomplice hammers home a stern lesson on the perils of infidelity while she periodically eyes her rope-bound boyfriend slumped in a heap of abject humiliation. Janson's moans and yelps of pleasure are only interrupted by the occasional taunts hurled at her cuckolded man. Tawny-skinned sexpot Josie Jagger exacts vengeance on her porn-obsessed boyfriend by recording her own video with a beefy goon. She puts on an impressive sword-swallowing act before her partner swabs her asshole with his tongue and pummels her cowgirl-style, her ass cheeks bouncing hypnotically. Bummer for her man, who only wanted to rub one out in the privacy of his own home, but hey, his loss is your gain. Payback is a bitch, but you'll enjoy jacking off to her.

SCREAMING ASSGASMS! VOL. 3

JULES JORDAN VIDEO. DIRECTOR: WILLIAM H. STARRING: MORGAN LEE, ROMI RAIN, MANDY MUSE, KARMEN KARMA, MICK BLUE, RAMON NOMAR & PRINCE YAHSHUA

NOMAR & PRINCE YAHSHUA

Let us ponder the human ass for a moment. It's a
nasty bit of anatomy, whose primary reason for

being is to excrete noxious waste from a tiny opening tucked behind enough layers of fat and flesh to ensure that it never sees the air-clearing light of day, it's practically a miniature sewer drain, bookended by odor-trapping skin pillows. And yet who among us has not been mesmerized by the waddle of a well-shaped derriere, tempting us to shove our snouts into its rank depths? Two things are clear: We are all just pigs looking to stick our noses and cocks in stink, and ass is the gravitational center of the universe. By those standards, Screaming Assgasms! Vol. 3 passes the smell test. The leadoff broad in this offering. Morgan Lee, is a tasty little morsel, an exotic fuck puppet who demands that her pussy be slapped and licked before she bumps her shit-cakes against her partner's face for a spit-shine to the sphincters. Lee takes a pounding to her baby shooter before getting her dung chute stretched impressively by her partner's fat schlong. Hopefully she's setting a little of her porn money aside for Depends, because she's probably gonna need them sometime soon. Slender redhead Mandy Muse also earns points for the rectum-destroying workout she receives from a fat black slammer. For those who yearn for shit on the end of their sticks, Screaming Assassms 3! will stink you up good. -P.D.R.

HUSTLER: How did you meet Josh

DANICA DILLON: I met him in March [2015] while I was feature-dancing in Philly. I had no clue who he was. He looks like your average, everyday guy, doesn't have celebrity tattooed on his forehead. And he walked in and was like, "I've been a fan of your work. I followed you from the beginning, since before your boob job. You're so beautiful! I love you! You're gorgeous!" all night long. I did my first show, and he went, "Oh, my God, it's so amazing! You're amazing!" Then he asked to buy dances from me. \$600 worth of dances. And after the dances: "Well what would it take to spend more time with you?" At that point I was like. "This is my room number. Give me 45 minutes-let me clean up-and come on over.

No red flags?

Not really, not at first. I mean, he just seemed like a normal fan person. They get overexcited, and they don't really know how to compose themselves. He wasn't being rude or rough at the club. So there wasn't any like, Oh, this guy is going to physically abuse me. It was just more along the lines of, This could be fun for a little bit. Then he showed up at my hotel.

What happened?

So most men who want to spend time with you want you to entertain time miner or less. You know, act sexy and just be your cute little porn star self. He walked in and instantly was like, "Set undressed. Get on your knees." There was no intimacy, nothing, He grabbed my head and pulled me on to him and was doing a forced blowjob. I couldn't breathe.

I pushed him off of me, and then he did it again, and had to push him off me. He did it again, looked up, and I had to push him off me. He did it again. I looked up, and I was like. "You need to calm down." And he did. Then he picked me up and threw me down on the bed and bert me over and was pulling my hair. calling me a dirty sht, felling my fall; acciling me a dirty sht, felling med affect of the did it is the state. During doggy, he flipped me word grabbed my legs, just threw me down and tossed me over.

Then he put his hands— He didn't choke me, but he pressed down pretly hard, as if he was trying to push my neck into the bed, almost constricting my airway. To the point where after he left I could see the red marks around my neck. Then he brings me back down on the floor and forces my face back to give him another blowlob, and the whole time he's degrading me and telling me I'm worthess. When I pushed him away, he pinched my lips together and spit on my face. And then he finished. Then, when he wailled out of the room, he threw the money that he was going to give to me on the counter and just left.

How long did it last?

It lasted for over an hour and a half. It was terrifying, I didn't even know the guy's name. It hought, if the's done this to me, how many other girls has he done this to? Has he murdered anybody? That's all that went through my head. But it's not like I was in any place to call the police because I didn't know who he was. I didn't know anything about him, and I invited him into my room, so it was consensus.) >>

You never said no?

No, I didn't, but I did keep asking him to not be so rough and not be so hard. He would slow down or stop being as rough and then go right back into it.

You've caught some flak because you've been in rough porn scenes before.

The people who play Hitler in movies, are they really Hitler? The people who are getting abused in movies, are they really ending up in the hospital and getting beat up and killed? No.1 do rough scenes, and I do hardcore scenes, but there's always other people there to make sure I'm safe and I'm comfortable. My life Isn't really in some-body's hands when I'm on set.

Did you feel like your life was in danger with Josh?

Yeah. He was a completely different person from the club. It was like there was a switch that turned on and off.

Had he been drinking?

He'd had a few drinks, but I wasn't watching him. He didn't smell like he was wasted.

You've said that you felt like you were being raped.

Yes. I got a lot of bad feedback, like, "Well, how can you compare something consensual to rape?" But I have had some traumatic experiences in my past, and I got the same drity, disgusting feeling after he left. Like I sat in the shower, piping hot shower, for a good 45 minutes and scrubbed myself. I felt completely dirty.

Did he come on you? Inside you?

He came on my ass. He had me bent over. He didn't use a condom.

But you had sex with him a second time. Why?

It was a month later, in the Philly area, and I was feature-dancing. He came in: "Hey, I really need to talk to you." I was like, "If I have time. I'm so busy." I tried ignoring him and not really talking to him. I was scared and nervous. I went onstage, and he was a completely different person this time. He didn't approach me. He didn't try and talk to me. He didn't try and et alones from me or anythino.

After one of my sets that night, he walked up to my merch table, bought a few movies from me and asside me to sign some of my pictures. He said, "Look, I'm sorry." And my stonnich said, he was like, "No. I just wint to apologie be exasise I can left hat you are unessy around me, and I know that I was rough with you lare limit but you for an actives, and us the beausey too do that in your movies doesn't mean that you like to do that shuff in your personal life."

I signed his pictures, and then I kind of gave the eye to the bouncer, like, "I need to wrap things up," because I didn't want to talk to him amynore: So the bouncer came up and wrapped my stuff up and said, "Okay, you're going to have to talk to her later. She's busy." So he went and sat down, and I went in the back room and then back onstant.

Then I did the same thing and went and signed my movies, and he came back over and stood by me and was like, "I'm really sorry, I want to show you that I'm a nicer person. I'm not that mean. I'm not rough. I'm sensual. You know, everybody has their kinks and fetshes and things that they like, but I promise you, I've been a tan,

and I really like you, and I'm really sincerely sorry." So I believed him, which is one of my flaws. That's why it took me so long to divorce my first husband. He was abusive, and every time he would apologize, I would just be like, "Okay, okay." So I gave him my room number. He showed up. I had my phone dialed on 911 under my pillow just in case thins so tout of I had.

What was he like the second time?

He walked in, and things were a little bit more—not intimate or passionate, but they weren't rough. He was just more verbally abusive, calling me a slut, a skank, slightly pulling on my hair, but not like pushing my face into the pillow. It was hard, but it wasn't abusive.

What kinds of things did you do?

I started off just giving him a normal blowjob. It wasn't super cough, legil at 4s, on the as a little slopp, And we went into me stiting on top of him. I was riding him, and then he flipped me over. We did missionary, he really liked me bent over, so he would go from missionary to doogy, We spooned for a little bit, and then he flipped me over and praished my hips really hard he came all over my ass again. He did put his hands around my neck, but not like squeezing or pushing down like the first time.

And he was like, "You like this, don't you? You like the fact that I can give you all kinds of different versions of sex." It was strange. It was sike he was getting satisfaction out of being able to handle his personality disorder. It felt like he was trying to play a game. I don't believe that he wasn't sorry for the first time. But that doesn't mean he's not own to do it again to somebody else.

Did you use protection this time? No protection.

How much did he pay you?

He was supposed to giff me \$1,500 for the first encounter. He only threw \$1,000 on the counter. And in the second encounter, I got gifted the \$1,500. He set it on the counter gently and said, "I hope to see you again."

How crazy has all this media attention been for you?

I find staying low. Surprisingly, I ve had more positive feedback than negative. A lot of leisbars and the gay community have been giving me positive emails like, "Hey, thank" you for outing this guy and his family. They're a bunch of hypocrities, and the world needs to lovors. And then, you know, I get hable emils from religious communities. Sinying that they can define me, they would kill in the because I've nurined his guy's till. I clon't respond. I don't respond. I also didn't want all the media atterhor. I didn't want ny face to be everywhere. But then a loss didn't want everyone thinking that I was a homewrecker, and I didn't want them going out and praissing this give to being a horrible person.

How have your parents responded to all this?

I don't talk to my mom, so I don't know how she would respond. But my dad actually called me. Most parents would be like, "What Is your problem? Why are you doing this?" And all he asked me was If lives okay. He was like, "I don't want to know what's going on, but I saw you on TV, and I just want to know, Are you okay?" And I was like, "I'm fine. I'm fine." S

If you could say something to Duggar's wife, what would you say?

I know she's standing by him, and I know that she's being a greatlatiful, loving wife but indo think she's doing it for the pincasons. I think she's doing it because she doesn't have anywhere else to go or she doesn't know any better. But she should support him in treatment and make sure he completes til. He checked him for rehab. In Touch called him and said, "You prom stall Dranica Dillon's coming out with the interview," and within two hours he checked imisself into rehab. So I hope she pushes him to continue relate and not just the six-month shift he needls long-term freatment.

Do you regret it in hindsight?

No, because if I said that I regret it, then I wouldn't be in the position that I am in now, to be able to speak out against sexual assault or sexual abuse. After my husband beat the crap out of me, I felt like such a small person. And I had no outlets to go out and help other

women. I've gotten a lot of emails from women wishing that they were able to do what I've done and out people that have been hornoon to work the control of the mand do something about it. For women who are in similar situations as I was in, there are different avenues and organizations out there for them to get help [le., check out RAINN.org].

It can be tough to escape from abusive relationships. How did you get out?

Well, I was legally married to him for five years. I was 18,1 went to school with him almost my entire like it's so strange, it's ided was abusive, an alcoholic. It ran in his family. My husband at the time wasn't like—he enever even raised his voice at me, yelfed at me, the whole time we dated. I was a princess, and he treated me like one. And then he joined the havy We moved to California, and nhe started drinking and going out with unmarried, single saliors. Not coming more till alte or coming home and then opening up a beer and just

treating me like I was his slave and not his wife. It started with emotional abuse, mental abuse. Over a period of six months his verbal abuse got really, really bad. Then it got physical.

What kind of things did he say to you?

That I was worthless. That I could never be with anybody else, that I wasn't pretty, that I was never going to get anywhere in life and no one would ever want me and I didn't deserve any happiness. All I could see was his dad in him. The abuse started one day after he had come home from work. I was cooking dinner, the perfect housewife, so it would be on the table by the binne he got home. He gets home at title and and walks in, and he tables his clothes off in the mild of the living morn and goes in to take a you're going in the fucking bathroom, why can't you're going in the fucking bathroom, why can't you list put your clothes in the hamper? I'm not your slave."

We started arguing, it was horrible. So I finited cooking, My ons's in the living room, and I walked into the bathroom, I My then-hasband?) another committed suicide when he was 16. He's had a rough, rough life. And I opened the bathroom does, and said, "but know, I your mother was alive right now, she would be completely dispushed in your behavior towards me." He stood up out of the shower and laid me on my ass. It went not or almost seen, each morth morths.

Before you left him?

No. Before I told anybody, My morn told me. "You need to leave him." You need to call his commend. "And finally innived out to another apartment, and he apologized to me. You know. "I'm sorry levnn' oi to 'again. I reger everything I've said to you. You're the mother of my child." So I tel him move back in. Then he broke my windshield, broke my front door so I couldn't leave and itterally bear the to a puly white one of our nommates stood there and watched. The last hing I remember before I blacked out was him kickling me in my ribs and then spitting I in my ribs and then spitting in my ribs and ri

Where did you go?

I went and got a small one-bedroom apartment. If lifed a restraining order, which ended up getting gotes which ended up getting gotes which ended up getting cases and the law as a law

Against you?

Against me. I filed for divorce the same day that I filed for the restraining order.

You're quite the survivor. You're remarried now, right?

Yes, and we have a three-year-old daughter too. We have a really good relationship. He's basically been the dad to my son. We have our ups and our downs, and we fight, and there's moments where we're like, "Oh, we can't do this anymore." But he's a good husband, a good dad.

How did you end up getting into the adult industry?

My husband left me with no money and wasn't paying child support. So I started cocktail-waitressing at a strip club, where I was making more money than most of the dancers were because I got paid \$8.75 an hour plus tips. The dancers in San Diego only get tips offstage. So most nights I would go home with my hourly buls \$200. \$300 in 100 km.

So Jenna Haze had come into the strip club, and she doesn't remember this at all. I mean, it was a long time ago, 2009. She was feature-dancing. And at the merch table of course all the waitresses want to go meet her and take a picture with her, just shake her hand. I was one of those girls. I was in awe. But I still had my small-town mentality of like. Oh. my God. porn is disaustina. What is wrong with this girl? So I go, "HI. it's really nice to meet you." I think my fclub) name at the time was Autumn. And she's like, "You're so cute. Have you ever thought about doing porn?" The first thing out of my mouth was. "You're disgusting."

Even though I was working at a strip dub, it was still, 01, mp God, how dure you? But within a few days, I was like, I, wonder if I could do It. What a like, I was trisks? What If I ended up with herpes, AUSS, gonorhers' So I researched every single STD for two weeks, looking at craphic pictures and discussing the chances of catching one and what the regulations were no porn, and a swal a lot of the same porn actresses all worked together.

So it was more like a family than what everybody had thought. It wasn't >>>

just having sex with a whole bunch of random people, but you know, just being in like a community. Two weeks after 1 met Jenna Haze, I Googled "number-one adult apen In Los Angeles," and I found Derek Hay. He said, "Why don't you come up to L.A., and l'ill take a look at you and let you know." And I did.

So what are your kinks and fetishes?

Hike watching men together, I don't know. It's just different. It's taboo. People watch lesbian porn all the time. But I like watching two men together.

How kinky have you gotten on camera? Define kinky.

What's the crazlest thing you've done?

A five-guy gangbang for Kink.com. The guy ended up slipping in DP, and I ended up doing a double vadge [makes a pained face].

How can a guy turn you on...besides making out with another guy?

I really like pretty mouths, pretty teeth, well-manicured hands. I like sensual, make-love-to-me sex over dirty sex. I love foreplay, skin touching—soft, like when someone does a spider crawl up your arms.

So what's next for you?

I can't really say what I have in the works, but I have some mainstream things that are coming up, that I may be cast for I guess I can kind of thank Josh Duggar for that
